

Come stay in one of our beautiful remote cabins close to Ely!

This area is known for its 10,000 lakes, pure water, pollution-free air. Although Ely's population swells quite a bit with summer visitors, it is clear that more and more people are recognizing the beauty and peace of the winter season. Snowshoeing, and cross-country skiing, and dog sledding have all been increasing in popularity.

Everyone who comes to visit Ely usually leaves planning when their next visit will be. That is because Ely truly is unique.
