

We, (Gary and Maggie Roderick) moved to the Ely Area in 1989. Our two children, Matthew and Anne are now living on their own. We started coming to Ely in the 60's for canoeing. In the 70's we became involved in sled dog racing and made numerous friends in Ely. In 1980 we built a cabin in Ely. In 1989 we moved here permanently.

We love the year around outdoor activities which Ely provides.
